May/June 2011

Dear Pastors and Praying Churches,

**D**own South- We have hit summer and many people have gone on vacation (as I am sure you are experiencing also!), however, the spirit in the church is positive and everyone is looking for great things from God. We are waiting for the correct papers for a religious visa and will be heading up to renew our visas at the end of August. We have planned summer activities for the children and teens and pray earnestly for God to work in the hearts and souls of these that we may see them saved.

**E**vangelism- We had the opportunity to witness to a man that has been attending church. He is hearing but has severe problems from his years of drug abuse. Please pray with us that we may have wisdom from God as we work with him and that we can see him saved. We also need prayer for the children we have been teaching sign. Their families are unsaved and this opportunity to reach them with the Gospel is the desire of our hearts. We also will be teaching sign at the Bible institute again this year. Pray that the Lord will bring more opportunities to work with the deaf and that they will be open to us and to the Lord.

**A**nswered prayer and prayer requests – Pray for unity in the church and among the deaf. That we will be able to reach more deaf souls. That we will soon receive the letter from the government that will get the visas we need. Pray as we seek the Lord's leadership in the deaf Christian school. Also as we seek the Lord's leadership in adopting.

**F**uture events- We are waiting to get the information about the school for the deaf so we can start one in Sept.

Reaching the Deaf so they might **HEAR**,

*David and Crystal Houghton*
