Dear Pastors and Praying Churches,

Down South – We are still looking for a place to move the church. The prices are a little more than we can budget right now. We are praising the Lord for 3 salvations this past month and seeing spiritual growth in our members. It is so exciting! Please pray for these to remain faithful to God as they battle the flesh and the culture daily. We had a great meeting with the national pastors and many questions were asked about deaf ministry. It was an encouragement as this field is in need of more workers throughout Mexico. We have 14 members now and praise the Lord for them all.

Evangelism – Good News! Hector got saved. What an answer to prayer. We have started teaching some parents sign language and pray that this will continue as it is a window of opportunity to reach the children with the Gospel. We also met a 5 yr old boy (Leonel) who knows no signs and we will be teaching him the language. Especially pray as his family is not saved and we want to be a witness to his parents. We will be starting a youth meeting in January. Please pray as we make plans for this facet of the ministry.

Answered prayer and prayer requests – We thank God for safety as we traveled to the border, the Latin America pastors conference, and to Tampico. Pray for the youth meetings. Also pray for a place we can meet in that will be economical and big enough. We are also looking forward to using the holidays as an outreach and evangelistic time. Please pray that more souls will be saved. Pray for the ability to get the new visas that will save us a trip to the border every few months.

Future events- Continue working on the visas which is a two hour trip in a problem area. Also we will be celebrating our first Christmas back in Mexico. It will be a great opportunity to reach more people as they love celebrating! Also looking for a location for the church and then begin the legal process of registering it.

Thank you so very much for your continued support!
