Dear Pastors and Praying Churches,

**D**own South and All Around – We have been in Texas, Kansas, Louisiana, Tennessee, and Indiana the last couple of months. We have been in some good churches and missions conferences. We have enjoyed being in these churches and presenting our ministry with these churches and are looking forward to partnering with them. We have also had the opportunity to interpret in sign language in a couple of the churches that we visited.

**E**vangelism- We are always amazed at the opportunities that the Lord has given us to share the gospel with others. We were able to share the gospel with several people while traveling around. We also look forward to more opportunities as we continue our deputation experience. While on deputation we have seen souls changed by either salvation or by surrendering to God. Seeing God use us in His ministry touches us.

**A**nswered prayer and prayer requests - Praising God for new support! Thanking him for the many opportunities to minister while on deputation. We have had a couple more churches take us on for support. We are now about 80 percent of our support. Please pray that we will be able to raise the remainder of our support and will be able to return to Mexico soon. Pray for more churches to schedule us to present our ministry as well as more churches that will partner with us. Pray that the Lord will start preparing the hearts of the deaf people in Mexico for when we return. Pray the Lord will provide the money for our moving expenses when we return to Mexico. Pray that people will become burdened to reach the deaf around the world. That the Lord will lead us to some deaf during our travels here in the us to witness and minister to.

**F**uture events – Traveling to Illinois to present to some churches then on to Kansas. Scheduling churches for the first part of next year. **We are getting excited about leaving for Mexico by the end of March first part of April.** Please let us know if we can e-mail our prayer letter to you. Contact us at [dyc4deafmex@aol.com](mailto:dyc4deafmex@aol.com).

Reaching the Deaf so they might **HEAR**,
